Sir:

Please be advised that the issue fee for the above-identified patent application was due on December 22, 2003. However, the Notice of Allowability mailed September 22, 2003 improperly indicated that claims 1, 3-8 and 15-20 were allowed. The error was communicated to the Examiner. The Examiner mailed a Notice of Allowability that properly indicated claims 1, 5-10 and 15-20 were allowed on December 15, 2003. The Notice of Allowability mailed on December 15, 2003 was not received by Applicant in sufficient time to pay the issue fee prior to the due date. Abandonment of the patent application was unintentional.
